Reasons to Eat Strawberries:

Eating a ½ cup of strawberries will give you lots of vitamin C. Vitamin C helps your body heal cuts and wounds. It can also help your body fight infection. You can enjoy strawberries fresh, frozen, and even dried – and with any meal or snack!

Vitamin C Champions*:

Bell peppers, broccoli, cantaloupe, cauliflower, citrus fruit (like oranges and grapefruit), kiwifruit, leafy greens, and strawberries.

*Vitamin C Champions are an excellent source of vitamin C (provide at least 20% Daily Value).

How Much Do I Need?
