

AUBURN UNION SCHOOL DISTRICT

Special Education Programs Continuum of Services

Placement in these programs is determined by the student's Individual Education Plan (IEP)

updated 5/24/24

SPEECH AND LANGUAGE SERVICES

- Services offered in the general education setting or a pull-out model.
- Students may participate in individual or a small group setting.
- Language Intensive Preschool Services (LIPS) is a specialized service for preschool aged students with mild to moderate delays in speech language and/or learning skills.

RESOURCE CENTERS

- General education core curriculum is supported as appropriate to meet student goals.
- Special education services and supports occur in an appropriate educational setting and may include the general education classroom.

ACADEMIC DEVELOPMENT PROGRAM

- May include a higher percentage of specialized academic instruction provided in the specialized setting.
- Small Group Instruction to support learning needs.
- Higher staff to student ratio.
- Specialized curriculum to address academic needs, as appropriate.
- Integration into the general education setting as appropriate.

ACADEMIC AND ADAPTIVE SUPPORT PROGRAM

- Functional and independent skills based.
- Classroom provides a higher staff to student ratio.
- Communication supports are embedded into the learning environment, as appropriate.
- Specialized curriculum to address academic and functional needs.
